# SELECT EMAIL TO SENT TO CUSTOMER

The screenshot displays the 'Send email to customer' modal window in the smartrainer application. The modal is titled 'Send email to customer' and indicates that the user is going to send an email to 1 customer. The background shows the 'Customer management' section of the dashboard, which includes a search bar for 'Company Name', a table of customers, and various action buttons like 'To Do', 'Export', and 'Add New'.

**Send email to customer**  
(You are going to send email to 1 customer)
